

Coventry Transport Museum is committed to increasing access both to the Museum and its collections. Below is information relating to physical access to the Museum.

Opening times and travel information can be found on our 'visit us' page.

Floor plans and gallery guides are available from the shop. There is wheelchair access suitable for unaccompanied wheelchair users to most parts of the Museum. Please ask for help in accessing Model World.

Pay and display car parking can be found at Cox Street car park, which is opposite the Coventry sports centre, Bishops Street car park at the rear of the Museum and also at Belgrade Plaza.

Disabled parking is available on request, please contact the Museum during the week to arrange.

Disability access is provided to both floors of the Museum by means of a lift, we also have a small number of wheelchairs available free of charge for visitors to use whilst at the Museum. These chairs are allocated on a first come first served basis, although any advance requests will be considered. Please contact the Museum on 024 7623 4270 for more information.

The toilets, including disabled facilities, are on the ground floor to the right of the main entrance beside the café, also on the first floor next to the Motorsport Gallery.

The café is situated to the right of the main entrance and is fully wheelchair accessible.

The shop can be found just after the main entrance underneath the large red archway which is also the entrance to the Museum itself. To the side of the stairs leading to the shop is a ramp for wheelchair and buggy users.

Baby changing and breastfeeding facilities are available in the Parent and Baby room on the first floor next to the Motorsport Gallery. Hot water for baby bottles is available from the café on request.

Assistance/support dogs are welcome at the Museum.

Keeping the story alive
