

Friends

The Friends organisation was established in 1999 with the object of promoting, supporting and assisting the Museum. We do this by fundraising, attending outside events and providing general help when needed. Several members meet regularly at the Museum for hands-on involvement.

Our **major project** is the creation of a single-decker bus on a 1916 Maudslay chassis. We have raised over £25,000 to date and members began work on the chassis itself in 2007. Our **motorcycle group** has completed a number of projects to date, both full restoration and conservation. The **archive group** plays a significant role in the ongoing development of the Museum archives.

There is a monthly **Clubnight** at the Museum on the third Thursday of the month, featuring a wide range of speakers and topics (see our blog for details) and there is a monthly **Newsletter** to keep Friends up to date.

If you would like to **join Friends**, please provide your contact details below. The annual (Jan-Dec) subscription is just £15 per person which represents excellent value. Please make cheques payable to *Friends of CTM* and send this form with your payment to Friends of Coventry Transport Museum, Millennium Place, Coventry CV1 1JD or hand it in at the Museum shop.

Contact us at: friends.ctm@gmail.com

Follow us at: <http://friendsofctm.blogspot.com>

DD / MM / 2012 I apply to join Friends of CTM and enclose my payment of £15
